

61400 Deliverables – Updated Winter 2016

Reminder: In order to pass the course, you must:

1. Submit the deliverables to the Final Project coordinator as specified below, and in the documents “Project paper – 61400” and “Project presentation – 61400”.
2. Fulfill the requirements of your supervisor(s).
3. Present your project in the time assigned for you, and attend all the other presentations in the session.

Submission deadline: Thursday 21.1.16 at 14:00.

Submission options: Put the deliverables in mailbox 909 at Room M320, or hand them to me at Room M200.

Deliverables:

Two separate plastic\paper sleeves, each containing:

1. The Project paper, **double-sided printed**, stapled (there is no need for binding).
2. A CD containing:
 - The Project paper in two files: <project-title>.docx, <project-title>.pdf
 - The Presentation file: <project-title>.pptx

Please write the project's title and students' names on the CD's.
